TWO MOUNTING OPTIONS

SURFACE: Featuring a hardwearing exterior, the surface mount option is our most versatile solution offering ample wiring space and 25mm conduit knock-out entries. Ideal for commercial use.

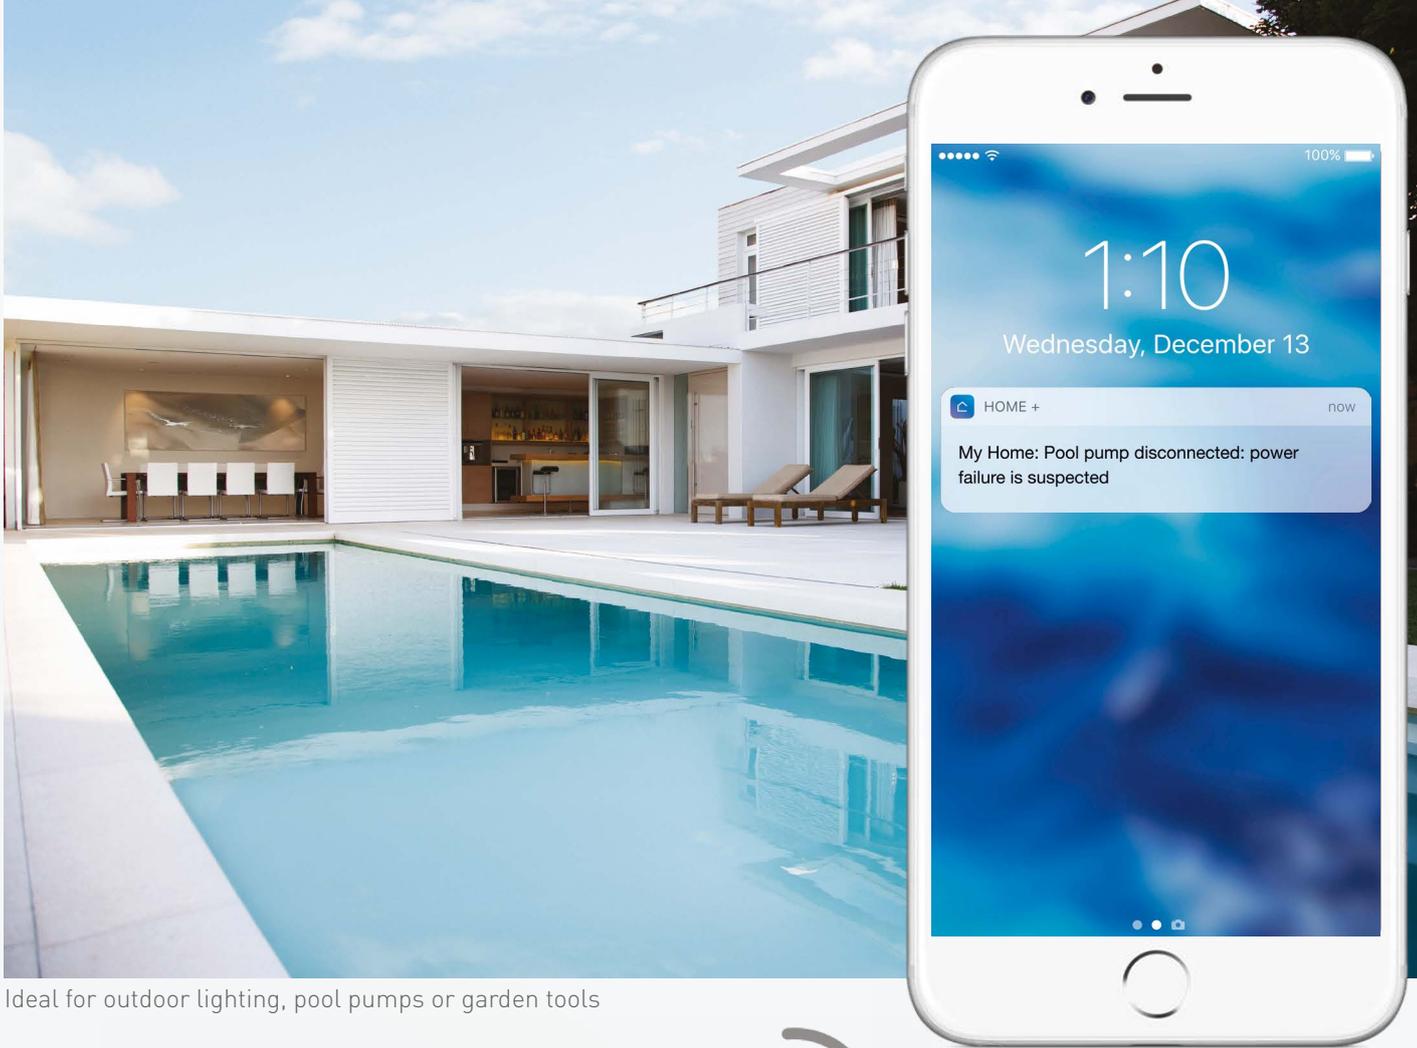

SHALLOW: Features a modern and slimline design ideal for residential installations. Only 47mm deep.

NEW SMART SINGLE POWERPOINT

Take complete control of your outdoor spaces using your voice or smart device using Aqua with Netatmo. Power up the pool pump, turn on the bug zapper, even activate your garden lights. Aqua with Netatmo will even monitor your energy consumption and let you know if there's a power failure avoiding unwanted mishaps.

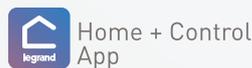

Ideal for outdoor lighting, pool pumps or garden tools

Requires the installation of Arteor with Netatmo Starter or Basic kit.
