

DISCOVER 'INSPIRE'

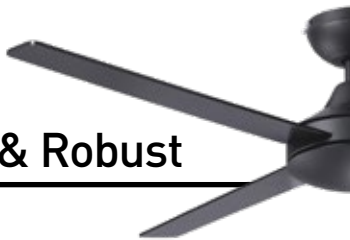

Our new silent residential sweep fans are the perfect solution to lull you to sleep, relax and avoid any distraction when you need focus. Turn it on, forget it, and enjoy an incomparable natural smooth breeze.

Ultra Quiet

Equally effective and silent when cooling during summer or circulating warm air in winter. You can control the breeze intensity with the three-speed fan controller.

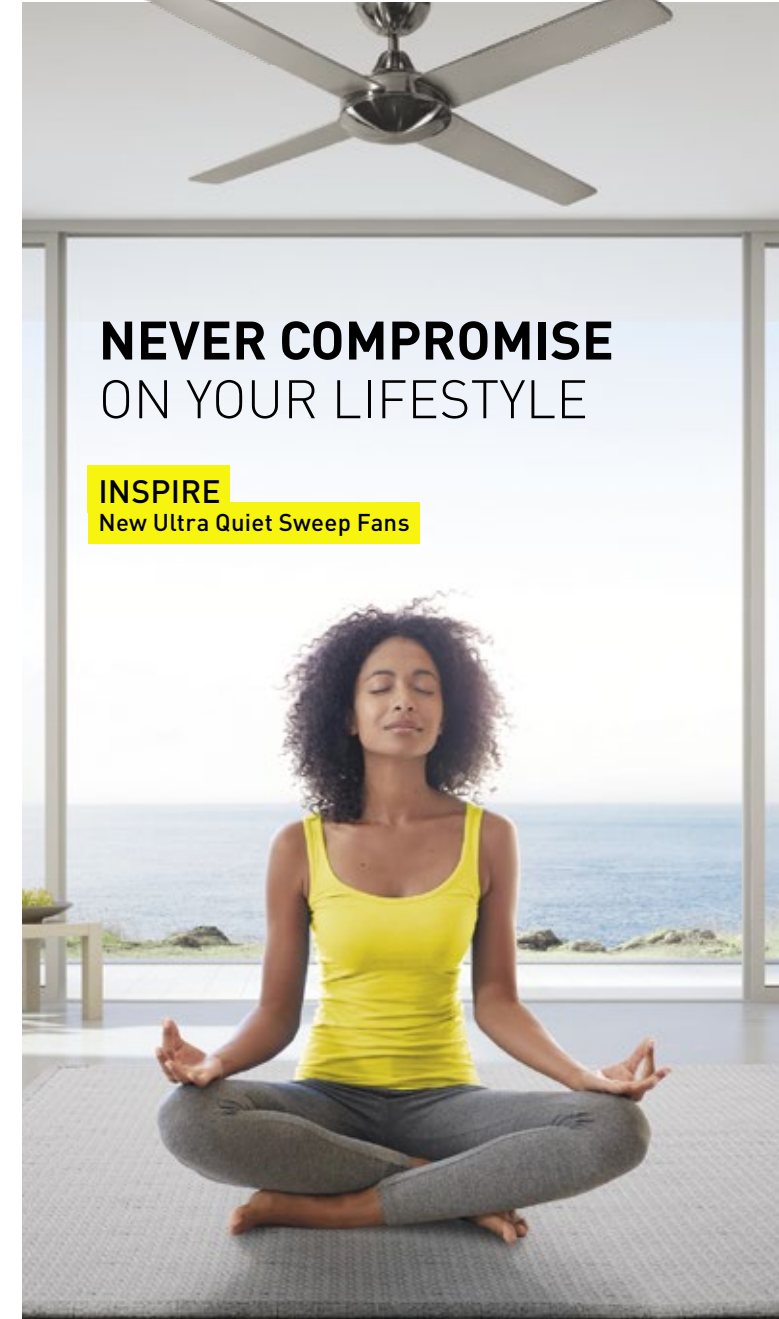

Sleek, Modern & Robust

Ceiling fans are not only practical, they are also a design piece that complement any room. With its hang sure mounting suitable for all ceiling types and its sleek curves and mat finishes, Inspire satisfies all your needs.

The **Trusted** Choice

NEVER COMPROMISE ON YOUR LIFESTYLE

A Peaceful Natural Breeze

If you are stuck with a loud fan with the buzzing or squeaking and dream of having the most peaceful nights and productive work sessions, INSPIRE is THE smart SOLUTION. This new range of ceiling sweep fans is perfect to lull you to sleep, relax and avoid any distraction when you need focus.

Our team of experts has been developing this unique product to satisfy exigent professionals and customers, cautious of choosing innovative products, precision made from high-quality components.

With its carefully balanced system (50W powerful motor, four 1200mm corrosion-resistant timber blades and a three speed fan controller), INSPIRE is the ideal equipment to smoothly optimise the flow of natural fresh air in residential areas up to 27m² without even knowing it is on.

Product Usage

Ideal for indoor rooms up to 27m²: bedrooms, living rooms, rumpus rooms.
