Cat no.	Description	Height	Width	Depth	Lumens <sup>^</sup>	Nominal Colour Temp
LWL033KWE	White Wall light 7.5W LED Warm White (non dimmable)	175mm	197mm	79mm	520lm	3000K
LWL053KWE	White Wall light 8.3W LED Warm White (non dimmable)	100mm	100mm	100mm	335lm	3000K

### 2 LED Lamp Life

30,000 Hrs Rated Average Lamp LED Life @25°C in open air

### 3 Mounting Instructions

Follow the steps below.

- Using mounting bracket as a template, mark and drill holes for mounting.
- Fix the mounting bracket onto the wall with screws.
- Connect the active and neutral supply wires to the driver terminal. Ensure double-insulated cable is brought in to the LED driver housing. Refer to Fig. 2.
- Fix the fixture to the mounting bracket using the grub screws supplied.

Figure 2.

^ Lumen values quoted are typical and can vary at different colour temperatures and between manufacturers.  
# Installation must be by a Registered Electrical Contractor.

## Disclaimers

**1.** This product must be installed and used as per these instructions. **2.** This product should only be cleaned with a damp cloth. Cleaning agents and solvents should not be used. **3.** This product is not dimmable. **4.** This product has been designed to minimise the effects of interference from off peak electricity signals. Interference in the form of light flicker is still possible in some cases depending on proximity to the signal injection point. **5.** This product contains no serviceable parts and no attempt should be made to repair this product. If the product is faulty it should be discarded. **7.** Severe electromagnetic interference from other products may cause malfunction of this product. **8.** The material in this product may vary in colour from batch to batch. Colour matching from one batch to another cannot be guaranteed. **9.** Electrical installations periodically receive transient over voltages. This product has been designed to minimise the effect of such voltages on connected equipment. It may not give full protection for extreme over voltage transients such as those resulting from a close lighting strike. **10.** Lamp LED life is an average and will be reduced by frequent switching. **11.** This product utilises intellectual property in the form of registered designs, trademarks, and/or patents. Such intellectual property remains the property of HPM Legrand in all cases. **12.** HPM Legrand reserves the right to modify the specifications of this product at any time.

## Warranty

HPM Legrand warrants this product for a period of 6 years from the date of purchase. These goods come with guarantees that cannot be excluded under the Australian and New Zealand Consumer Laws. You are entitled to a replacement or a refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired if the goods fail to be acceptable quality and the failure does not amount to a major failure. See the Warranty card enclosed with this product for further details.

## Customer Service

For all Customer Service and Technical Support please call Monday to Friday during business hours.
